***Pray for Billy and Susan Sanson***

*Billy and Susan were members of MBC and currently serve as International Mission Board missionaries to Malawi. Their primary ministry has been centered upon university students – helping them know Christ and grow in their relationship with Christ. Recently, the country of Malawi has been greatly distressed with massive rainfall, causing much flooding and damaging homes and other buildings. Billy and Susan have continued to minister in the midst of this challenge. We at MBC want to demonstrate our love and support to them. Primarily, we are asking that you join us in praying consistently for them – for their health, peace and encouragement in the ministry. Some have asked if they could make a financial contribution above the tithe and offering to help Billy and Susan. For two weeks we will be collecting an offering that will be sent specifically to them to help them with their personal needs. You can contribute to this offering by marking on an envelope that the gift enclosed is for the Sansons. Thank you for praying – and giving as you are able.*
