Metairie Baptist Church Budget 2012

The budget proposal from the Stewardship Committee will be available after the morning worship service today in the Orion Foyer. You are encouraged to look over the budget and participate in the discussion of the budget at the upcoming business meeting on Wednesday, November 16th. Next Sunday, November 20th, a vote to support the budget will take place during the morning service without discussion. Please make this a matter of prayer as we anticipate the ministry of MBC for the upcoming year.

The Gathering - November 27th

We are looking forward to an exciting Gathering which will take place at 6:00 p.m. on the last Sunday of November. At the Gathering, we will be celebrating the birthdays of all those born in October, November, and December. In addition, we will be giving thanks for God's work through Metairie Baptist Church. Our mission project will include bringing canned goods for Second Harvest Food Bank.

Second Harvest Food Bank

As a church, we are constantly looking for ways to minister to those in our community. This month, we will be focusing upon Second Harvest Food Bank. This ministry provides food items to those in need in our community. Would you be willing to bring canned goods and non-perishable food items? We are encouraging each member of the church to bring items and place them in the appropriate birthday month bucket in the Orion Foyer. Would you be willing to purchase an extra item each time you go to the store to help someone in need and/or to bring an item each time you attend a church function this month? Please give and participate as you are able so that we can help those who find themselves in need during the upcoming holiday season.
