To Fathers—

"I love celebrating Father's Day – not only because it is a reminder of the great family that God has given me, but also because it is a reminder of the great gift of a Dad that God placed in my life. Today we celebrate those men who have had a tremendous influence in our lives and remember that they are gifts from God. For those of us who are Dads, let's renew our commitment to continue faithfully following after our Father in the year ahead. Happy Father's Day!"
